

A very warm welcome to the first day of our Betway Summer Season Finale weekend.

We have an exciting seven race card this afternoon, and we wish all connections the best of luck in today's races.

We would like to thank Betway for their generous sponsorship of four races today, and wish them a very successful and enjoyable day with us. We would also like to thank the friends and family of Lee Thomas Christy, the friends and family of Ray Turner, and also F & T Terrix Systems, who are also supporting our races today, and we hope everyone has a lovely day with us. We would also like to thank the EBF for their continued support.

While it is great to have so many of you back on course, as you are aware, it will be a little different to the raceday that you are used to as we have a number of protocols in place to ensure your safety, and appreciate your support and co-operation while you are with us today. For more information on the terms and conditions of entry and what to expect while you are on site with us, please head to www.thejockeyclub.co.uk/haydock.

We hope you all have a wonderful day, and look forward to seeing you back on course very soon.
