

# WELCOME TO HAYDOCK PARK

Welcome to Haydock Park for our first Jump meeting of the season, Betfair Chase Day. This is one of our flagship days of the season featuring the famous Betfair Chase, the first Grade 1 Chase of the chasing campaign and marking a key point in the Jump racing Calendar for racing fans and our sports biggest stars. We are delighted to welcome you through the gates for what looks set to be a fantastic day of racing.

This year's race could see Haydock Park hero, Bristol De Mai further cement his position in the history books as he aims to emulate the great Kauto Star's record four wins in the race. The Twiston-Davies team have described their stable star as being in fantastic form and we cannot wait to welcome him back to the track he loves so much. It won't be an easy task however, with Cheltenham Gold Cup runner-up A Plus Tard making his racecourse debut for Radox Grand National winning trainer Henry de Bromhead, and Rachael Blackmore as well as Waiting Patiently making his first appearance for trainer Christian Williams who is bidding for his first Grade 1 win. This looks set to be one of the strongest renewals in recent times and we wish all the connections of today's runners the best of luck.

As well as the feature race of the day off at 3pm, The Double Daily Rewards With Betfair Graduation Steeple Chase goes to post at 1:50pm and is always a race to take note of with many going on to have incredibly successful careers and wins at the major Festivals at Cheltenham and Aintree in a few months' time. This year's rendition looks like an extremely promising race featuring the exciting chasing prospect Bravemansgame for Champion trainer Paul Nicholls.

As ever, our thanks go to today's sponsors, Betfair. We thank them for their continued support and wish them and their guests a lovely day with us.

It is great to have so many of you back on course, and we have a number of protocols in place to ensure your safety, and appreciate your support and co-operation while you are with us today. For more information on the terms and conditions of entry and what to expect while you are on site with us, please head to [www.thejockeyclub.co.uk/haydock](http://www.thejockeyclub.co.uk/haydock).

We hope you all have a wonderful day, and look forward to seeing you back on course for our Jewson Raceday supporting Racing Welfare on Wednesday 1st December.

# HOW TO PLACE A BET WITH A RACECOURSE BOOKMAKER

## WAYS TO BET

**WIN ONLY:** The most common form of bet. You win if your horse is first past the post. Example: £5 win at 8/1 would return £45 (8 x £5 = £40 + £5 stake).

**EACH WAY:** Backing a horse to win or be placed. This doubles your bet – for example: £5 each way = £5 to win and £5 for a place = £10 total stake.

## STANDARD EACH WAY TERMS

In conjunction with The RCA, the bookmakers have introduced standard each-way terms. Bookmakers will provide these terms, or better, when offering each-way betting.

- Fewer than 4 runners – all on to win
- 5 – 7 runners (inclusive) – 1/4 odds a place 1,2
- 8 or more runners – 1/5 odds a place 1,2,3
- Handicaps with 12 to 15 runners (inclusive) – 1/4 odds a place 1,2,3
- Handicaps with 16 to 21 runners (inclusive) – 1/5 odds a place 1,2,3,4
- Handicaps with 22 or more runners – 1/4 odds a place 1,2,3,4

Some bookmakers also offer 'betting without the favourite', where you can back your selection at reduced odds to either win or finish second to the horse nominated by the bookmakers as favourite. You may bet with confidence with any bookmaker on course as they operate with Administration Of Gambling On Tracks Ltd. (AGT) approval. In the unlikely event of a dispute with a bookmaker, please call upon the assistance of the AGT Betting Ring Manager, who can be found on the ground floor of the Grandstand Enclosure. The AGT also offers a 'late pay' service in case the bookmaker leaves the course before you have collected your winnings. Late pay claims should be sent to: AGT, 3A Kings Hall, Parsons Green, St Ives, Cambridgeshire, PE27 4WY.

## PLACING A BET

Experiencing the buzz of the betting ring may be a little daunting at first, but you will soon find it is very easy to place a bet. Here are some guidelines for racegoers to follow:

1. Each bookmaker will be offering slightly different prices, so shop around for the best odds against your selection.
2. Call your bet clearly to the bookmaker by stating the name and/or number of your chosen horse and the stake.
3. Listen to the bookmaker repeat your bet to his/her clerk and correct him immediately if any details are called wrongly.
4. Make sure you obtain a ticket from the bookmaker and keep it safe.
5. If your selections wins, hand the ticket back to the bookmaker for settlement. Never destroy or dispose of your ticket until after the "Weighed in" announcement has been made. Betting with the bookmaker is tax-free. Deductions are made only if a horse is withdrawn after the betting market has been formed.

Please check the minimum stake accepted by each bookmaker on his display board. Some bookmakers do not take sums under £5, especially in the main betting ring, but there will be others who are happy to accept £2 bets. Please tender the correct change when possible.

# ANNUAL MEMBERS

Welcome to all our Annual Members for the opening of our jumps season here at Haydock Park, featuring the Betfair Chase and a fantastic supporting card.

The Betfair Chase has quickly established itself as one of the most important staying contests in the calendar. Since Kingscliff won the inaugural running in 2005, we have been treated to some fantastic moments in this contest. It makes one feel old to think that it is a decade since Kauto Star won his record-breaking fourth Betfair Chase in a moment few of us at Haydock Park will never forget. Today, Bristol De Mai, a true Haydock Park specialist, bids to equal Kauto's record in this race.

The total card value today stands at an impressive £500,000 with clues aplenty for the season ahead. Stars of the future take part in the Newton Novices' Hurdle and Graduation Chase, with more established performers in the other chases. The Betfair Stayers Hurdle has also been won by the likes of Paisley Park.

I'd like to draw your attention to our Annual Membership package for 2022. Priced at just £360, it offers unrivalled value, with all fixtures at Haydock Park, a menagerie of reciprocals at other racecourses, a designated viewing area and a Christmas lunch. This is available to buy from the Haydock Park website and makes an ideal Christmas present for the avid racegoer.

Many of our members are good friends and it is a fantastic way to meet like-minded equine fans.

I wish you an enjoyable and successful days racing.

The amateurs handicap at Cheltenham **DEFUTURE IS BRIGHT** shaped well in a month ago looks pretty strong form and unexposed as a stayer, he could be the answer to this tricky puzzle. **Silva Eclipse** showed enough on reappearance to make him of firm interest, with **Amateur** completing the shortlist on return to action.

**You won't find many horses in history with a better record at Haydock Park than Bristol De Mai, who will bid to equal the great Kauto Star's tally of four Betfair Chase victories this afternoon. With history at stake, Nick Seddon takes a closer look at the much-loved grey horse.**

It didn't take long for Bristol De Mai to make an impression on his trainer Nigel Twiston-Davies, who explained during his media duties on Zoom earlier in the week that he knew he had a special horse on his hands as soon as his British debut - when he watched his charge make the perfect start by winning the Grade One Finale Juvenile Hurdle at Chepstow by six lengths in December, 2014.

Recording a top-level victory on your first start on these shores is a feat that very few indeed achieve, though it would be over fences where the son of Saddler Maker would come into his own. After a strong start to his novice chasing campaign he gave a sign of what was to come at this very course, winning the 2016 Grade Two Altcar Novices' Chase by some 32 lengths in heavy going.

Testing conditions aren't mandatory for Bristol De Mai to shine of course, but he certainly became known for being devastatingly effective when others were crying enough and another wide margin victory would follow here the following season, by 22 lengths in the 2017 renewal of the Grade Two Peter Marsh Chase.

The grey would fall short at the top level that spring, finishing seventh in the Cheltenham Gold Cup and fifth in the Aintree Bowl, but he returned the following season as an improved model and victory in the Charlie Hall Chase at Wetherby was a signal of what was to come. Bristol De Mai had won at the top level as a novice, but it was the 2017 Betfair Chase in which he made his breakthrough in open company, sauntering to a 57-length success over no less than a three-time Betfair Chase winner in Cue Card in testing conditions.

Winning by such a wide margin at this lofty level is rarely seen and it was at this point that his 'King of Haydock' moniker was born. Bristol De Mai was a name to be feared on Merseyside and he would defend his title in some style 12 months later, defeating a stellar field of five which consisted of Native River, Thistlecrack, Clan Des Obeaux and Might Bite by four lengths.

A straightforward type, Twiston-Davies explained earlier in the week that the secret to the grey's success is his ability to dominated proceedings in uncomplicated circumstances, with two long straights and easy bends. It meant that he received criticism from some onlookers for being a one course specialist, but his effort to finish a fine third in the 2019 Cheltenham Gold Cup defied that and showed there is certainly substance to the fact he's considered to be a top-class staying chaser.

Bristol De Mai would suffer his first and only defeat at Haydock Park later that year and a one and a half-length defeat felt like a changing of the guard, with the then eight year old passing the baton to the exciting new kid on the block, Lostintranslation of the Colin Tizzard team, in the 2019 Betfair Chase. It would later transpire that Bristol De Mai had struggled with lameness issues in the build-up and he would roar back 12 months later, turning the tables on Lostintranslation and holding off the attentions of the Sam Twiston-Davies ridden Clan Des Obeaux to equal Cue Card's tally of three wins in the race.

Still only a 10 year old, there ought to be a few miles left in the admirable grey's tank just yet and when speaking earlier in the week, his trainer pointed out that his straightforward nature could give him an advantage on the challengers.

He said: "The race looks as hot as ever really, but the one thing he always has in his favour is that he's so easy to get fit and I wonder whether they all will be as fit as he is - hopefully not. It's great to see an Irish challenger too, it's great for the race and hopefully we can beat everyone."

If anyone can, it's the King of Haydock Park.
