Significant Features and Benefits

Members' Public Liability Insurance in respect of racehorse ownership only.

A racehorse is defined as a registered thoroughbred horse being kept at the time solely for the purpose of horseracing under the Rules of Racing, including being prepared for a racing career and also whilst resting or recuperating.

Underwriters will provide an indemnity to compensate third parties (not employees) for accidental Bodily Injury or accidental Property damage that occurs in the United Kingdom during the Master Policy Period and arises out of and in connection with the ownership of a racehorse only.

The sums payable as an indemnity are limited to £10,000,000 any one occurrence or series of occurrences arising from one event and unlimited in the aggregate.

Cover extends to include a Member's racehorse whilst temporarily outside of the United Kingdom for a period not exceeding 90 consecutive days.

Unless specifically agreed to the contrary, this Insurance shall be subject to the law of England and Wales and the Courts of England and Wales shall have sole jurisdiction in any dispute.

Significant/Unusual Exclusions or Limitations

Cover excludes Bodily Injury or personal injury to any person who is part of the Insured Member's family or household.

A Policy Excess of £500 applies for each and every claim made against a Member for loss of or damage to third party Property and third party Bodily Injury.

If indemnity is available under any other insurance, then the Insurance afforded by this Policy will be in excess of and will not contribute with such other Insurance.
